1/ These figures are representative of the consumption of fluid milk products in Federal milk order marketing areas.

2/ Percent changes from the previous year are based on the same group of comparable markets – markets where the orders were in effect the entire applicable two-year period; excludes the Appalachian marketing area that was expanded in November 2005. Organic milk is included with conventional milk in calculating percentage changes; see 3/.

3/ Information for this product for the previous year is not available. 4/ Total fluid milk products include the products listed plus miscellaneous products and eggnog. 5/ Sales volumes and percent changes have been adjusted for calendar composition
